**BOTTLE HOUSE WALKS**

3.5 miles/ 5.6 km - 1.5 hours

Moderate difficulty walk with steep hills and a number of stiles, this walk travels along quiet but narrow lanes, and along the River Medway.

**DISTANCE**

3.5 miles/ 5.6 km

**DURATION**

1.5 hours

Leaving The Bottle House Car Park, **01** turn right along Coldharbour Lane. Follow the lane to the first junction **02** and turn left just behind the letterbox, passing White Post Cottage on the right.

Go up the lane, passing the first footpath sign on the left. Take the second footpath sign on the left, **03** going through the gate and bearing right down the field.  Keep the copse on right. The hill is steep, but offers good views towards Fordcombe on the facing hill.

Climb a stile and join the lane, heading straight ahead, and continuing ahead where a second lane joins from the right. This is a narrow lane so care should be taken.

At Chafford Bridge, **04** climb the stile on the left and follow the riverbank alongside **05** the River Medway,  passing through two meadows. **06**

Continue past the footbridge on the right and follow the field boundary to the left. Cross the field, running parallel to the river, and then bear left up the slope by the Hartsland Way Point.

Climb the stile and turn right onto the lane. **07**

The lane rises very steeply for about 1/4 mile, passing a number of dwellings. **08** As the lane levels out, follow it round the corner and take the footpath, signposted on the left hand side. This narrow track between two fences **09** leads back to The Bottle House Car Park.
